			Lauren Pierce ©	
		In all of time and space		
		She flies in songlike elegance		
		Without beauty and grace		
		Once a fuzzy creature		
		Is only hers to know		
		Sentiment of peacefulness		
		With colors all aglow		
		Her beauty shimmers brightly		
		With pure and simple ease		
		Jovial in her freedom flight		
		As gentle as a breeze		
		She sways her wispy body		
		Zina die 10 very butterrig		
		Drifts the lovely butterfly		
		Through dazzling rays of sunlight	•	
		Beneath the clear blue sky		
		O'er grassy meadows
